15 October 2026

Monthly Construction Update – SSD-10320 / CFT-931931

Throughout the last month, the following scope has been undertaken by the engaged Contractor as part of the above approval.

The scope of works completed to date includes the below:

1. Installation of site compound and amenities
2. Installation of class A timber hoarding
3. Installation of sediments controls including sediment fencing and drain filters
4. Installation of dust control including water misters

Staying Connected

We appreciate your patience and understanding while we deliver these improvements.

If you have any immediate questions, concerns, or require specific access arrangements during the construction period, please reach out to our project team:

- **Email:** presidentprivatedevelopment@machealth.com
- **Project Website / Updates:** www.presidentprivateredevelopment.com.au

Our website will be updated regularly to keep you informed throughout the project and future Community Forums dates and locations will also be published.

Yours sincerely,
Property Development Team
President Private Hospital
